699 Expansion Ribbon Cutting Ceremony

FOR IMMEDIATE RELEASE

(July 21, 2017 – Medina, Ohio)

On Friday July 21st, Rico publicly celebrated the expansion of the 699 building with a ribbon cutting ceremony with local community leaders. They included Mayor Hanwell, Medina City Economic Development Director, Kimberly Marshall; Medina County Economic Development Director, Bethany Dentler; Greater Medina Chamber of Commerce President, Jaclyn Ringstmeier and President of the Ohio Senate, Senator Larry Obhof.

Rico Manufacturing's newest office expansion totals 5,500 SF. The new offices are designed with a modern industrial office look and feel. It will be utilized as a collaboration center for dealers and customers when they come to visit the RICO Headquarters. This location houses Rico's executives, new truck sales, marketing, customer service and accounting teams.

Each of the community leaders gave a brief presentation congratulating RICO for the expansion and describing what it means to have Rico Manufacturing as a part of the Medina Community. Common themes of community partnership and support, company growth, employee opportunities, were all mentioned throughout the presentations.

Steve Shuck, President of Rico, accepted a special recognition award from Senator Obhof. *"The noteworthy success of RICO Manufacturing is attributable largely to the loyal service of its highly qualified and committed staff, as well as to the innovation and foresight of its management. Their combined efforts have earned the establishment a well-deserved reputation for quality, and are willing to invest in the growth and development of their communities."*

Rico Manufacturing is proud to be fabricators of the world's finest specialty lift trucks. RICO has pioneered the design, development and manufacture of specialized lift trucks with capacities ranging from 1,000 to more than 400,000 lbs. RICO's diverse customer base includes the industrial, military and commercial markets. For more information, contact Jennifer Gray (330) 723-4050 ext. 256 or visit www.RicoEquipment.com
